

## Who is ZEGG?

Roll out the rock. Don't forget that jazz. Add a touch of bluegrass, shake in some R&B and lay down some funk – hell, throw in the kitchen sink. That comes close to summing up **ZEGG**, the Raleigh-based quartet.

Raleigh, NC's **ZEGG** is:

- Chris Johnson (keys, vocals)
- Mike Gloss (acoustic/electric guitar, vocals)
- Shane Bullis (bass, vocals)
- "Bongo" John Metcalf (percussion, assorted chants and sundry hoots)

### THE SOUND

***"This is a band that has a sound to motivate, influence, and drive their audiences into a musical frenzy!"***

**ZEGG's** sound gives gracious nods towards Steely Dan, Sade, Bob Marley, Umphrey's McGee, The Talking Heads, and many others. Yet **ZEGG** has a sound all its own, which is, at best, a funhouse mirror reflection of its influences.

The band's live performances are based on tight musicianship, and a shared energy with the audience.
